

Dear Friend,

Ramadan is the spring of good deeds, a month of fasting, devotion, compassion, generosity and forgiveness. Ramadan is not only about fasting & prayers, Ramadan is the month of charity. **At BCFE we dedicate all our efforts to fight breast cancer and support women from all social economic backgrounds.**

BCFE offers ladies many services in one place, such as;

Mammograms, clinical examinations, biopsies, surgical operations, prosthesis and wigs, early detection campaigns, outreach and advocacy events, support groups.

Imagine a life without breast cancer where you don't have to worry about your mother, wife, sister and daughter. This Ramadan we encourage everyone to donate to BCFE to help us take a step closer to this dream. *Donate to support our mission to keep offering our services for more women in need.*

Donate to one of our programs listed below, and bring joy to a family.
